How To Tie The Day Cravat

Please follow these step by step instructions on how to tie the day cravat.

The Classic day cravat is worn traditionally under the shirt that has a standard or wing collar

Step 1

Position the day cravat around the neck making both ends even.

Step 2

Fold the left part over the right.

Step 3

Fold the left part up and under the cross-over at the neck.

Step 4

Pull the left part while holding the right to form a snug fit around the neck.

Step 5

Pull the left part down to rest over the top of the right .

Step 6

Adjust the cravat at the neck to create a nice and even look, this finishes the tied cravat

The Classic Day Cravat can be worn under a shirt for that casual yet smart look.

Or together with a waistcoat for that complete smart look .
